JAVA DEVELOPER

Motivated fresher in the tech industry, eager to contribute to impactful projects. Committed to continuous learning and staying updated with emerging technologies. A team player and problem solver, ready to work with like-minded professionals. Drive to learn, grow, and make a meaningful impact in the ever-evolving digital landscape.

TECHNICAL SKILLS

Languages : Java, Advance Java, JSP, HTML, CSS
Frameworks : Spring, SpringBoot, Hibernate
Databases : MySQL
Dev Tools : IntelliJ, Visual Studio Code, Git, Github, PostMan, Maven

EXPERIENCE

Java Backend Developer Intern
Coditas Solutions LLP

Jan 2023 – Jun 2023
Pune

- Actively collaborated with 10 team members to design and implement projects using **Spring framework**.
- Proficient in **Java EE** technologies such as **JDBC, Servlets, JSP, Hibernate, Spring MVC, and Spring Boot**.
- Utilized **REST APIs** and **MySQL** for efficient data retrieval and display from databases, ensuring seamless integration in the Spring MVC architecture.
- Gained hands-on experience in various stages of the software development lifecycle, including requirements gathering, design, coding, testing and debugging

PROJECTS

Blogify Application

[Source Code](#)

- Designed and developed a Backend of blog application using **SpringBoot, Hibernate, MySQL**
- It offers a wide range of features including posting blogs, categorizing them, commenting on posts, and performing CRUD operations on both comments and posts
- It also provides Searching, Filtering options along with Error Handling and Validations for better experience
- Used **Postman** to test the RESTful APIs and create documentation

Connect360

[Source Code](#)

- Developed a Customer Relationship Management (CRM) web application using **Core Java, Servlets, JSP, and Hibernate**.
- Implemented CRM module to efficiently manage and address customer queries, promoting effective communication and timely resolution
- Utilized JSP for frontend rendering, Servlets for server-side logic, Hibernate as the ORM tool, and MySQL as the backend database, ensuring a seamless and reliable application.
- Implemented user authentication and access control mechanisms to ensure data security and privacy

EDUCATION

Shri Guru Gobind Singhji Institute of Engineering and Technology
Bachelor of Technology in Computer Science Engineering
CGPA : 8.04

Nanded
2020 – 2023

Government Polytechnic College
Diploma in Information Technology
Percentage : 93.63

Nanded
2018 – 2020

CERTIFICATIONS
